Casey Jarzabek - 2nd!

The 308 entrants who began play on Sunday in the 2008 Foxwoods Poker Classic \$1500 No-Limit Championship were pursuing a prize pool of \$410,795. Sixteen returned at Noon to vie for the top prize and when the contest was over, **Rob Perry** of Highland Beach, FL, was the winner of the Championship Trophy, commemorative leather jacket and \$123,033!

It took an hour and a half to get to the Final Table and one hand for 10th place to be decided. The short stack, **Mark Herm** of Royersford, PA, took a chance with J2 but Mark Carlson had pocket 7's which held up; Mark took home \$4,313. Pocket 7's were also the undoing of **Keith Mason** who was all-in for 120K with AK. Casey Jarzabek hit a set on the flop and Keith had 9th place money of \$5,151 to take back to the Bronx, NY. The next hand Casey eliminated **Jessica DeSantis** of Garden City, NY, who was all-in with A9. Casey once again had a pocket pair (8's) and with no help on the board Jessica finished in 8th position good for \$6,162. Shortly thereafter, Casey was back to work. **Michael Omelchuk** had been all-in several times with no callers but Casey called Michael's A6 with A9. Michael picked up a flush draw on the flop but the turn and river were no help; a river 9 gave Casey a pair and sent Michael home to Bellport, NY, with \$9,038 for 7th place.

Mark Carlson, a resident of Wilbraham, MA, was able to improve on his 29th place in the \$1000 No-Limit and his 13th in the \$600 No-Limit by finishing 6th today. Mark went all-in with pocket 9's but Rob Perry had pocket Q's which held up to leave Mark a winner of \$13,145. **Thomas Laviano** went all-in for 225K over Rob's 30K bet with K7. But Rob showed pocket A's, and with no help from the board, Thomas, a resident of Glen Head, NY, was in 5th place with \$19,308. Mike Manulla had **Victor Amereno** covered by 8K when he called Vic's all-in. Vic had AK and Mike K9 but a 9 on the flop gave Vic \$25,469 to take home to Stamford, CT.

With 3 players remaining **Mike Manulla** of New Britain, CT, trailed Rob and Casey by a large margin even after the previous hand. He doubled up once through Casey but still lagged the others by a 3 to 1 margin. With the blinds at 8K/16K, Mike saw his stack eroding. He finally was all-in from the SB with K6; Rob, in the BB, called with 87 and a 7 on the river placed Mike in 3rd position with \$35,739.

Entering heads-up play Rob Perry had almost a 300K chip advantage over **Casey Jarzabek** which Rob judiciously increased to over 500K through the next level of play. In the final hand Casey bet 50K pre-flop, Rob raised to 150K and Casey went all-in with A10. Rob called immediately with AQ and an A on the turn and a Q on the river placed Casey in 2nd place with \$71,068 to take back to St Catharines, Ontario, Canada.

And **Rob Perry** was the 2008 Foxwoods Poker Classic \$1500 No-Limit Hold'em Champion!!

Mike Manulla - 3rd!
