Mike Farris - 2nd!

The \$3000 No-Limit Hold'em Championship of the 2008 Foxwoods Poker Classic attracted a total of 132 players competing for a prize pool of \$358,512. **Ken Harding** of North Bellmore, NY, was able to convert his chip lead at the Final Table into victory. **Michael Farris** took 2nd place and the championship trophy and Ken claimed the commemorative leather jacket and \$82,079!!

The Final Table began just after Noon and the first hand **Eugene Todd** of Brooklyn, NY, called Jesse Martin's all-in with AK. Jesse had pocket 8's; Eugene got no help from the board and he was the 10th place winner of \$7,170. Shortly thereafter, **James Campbell** took a chance with KQ; Ken called with pocket J's which held up. James had 9th place money of \$8,966 to take home to Marlborough, MA. **Mark Dickstein**, a resident of New York, NY, was the first of 4 players knocked out by Kush Patel. Mark had A6 but he could not top Kush's pocket 6's and Mark was left with \$10,755 for 8th. **Matt Brady** of Havertown, PA, took the final table short stack to 7th place. He was all-in with AQ but Kush had AK; with no help from the board, Matt was the winner of \$12,548. **George Smith** went all-in for 75K over Kush's 30K bet; Kush called and turned over J10. George had A3 but a 10 on the flop left George in 6th place with \$14,341. **Jamie Rosen** was also all-in over a Kush Patel bet; Kush called Jamie's A6 with pocket 8's. Jamie picked up a 6 on the flop but got no further help and Jamie had \$17,925 for 5th to take back to Orlando, FL.

Jesse Martin of Shrewsbury, MA, went out in three-way action which changed the landscape of the final table. Jesse had pocket J's and bet 105K; Michael was all-in for 74K with AK and Ken went all-in with pocket Q's. Jesse decided to call and, with 5667K on the board, Mike took the main pot; Ken had an 80K chip advantage which left Jesse with 4th place good for \$25,096. Michael was now back in the hunt for the championship and Ken solidified his position.

Michael further leveled the field by winning an all-in with AK to Ken's AQ. Kush's chip advantage had been whittled away and with the chip stacks virtually identical a deal was struck. The players each locked up \$60,000 and played for the balance with 2nd place worth \$65,500 and 1st place \$82,079. **Kush Patel** of Southborough, MA, had lost the hot hand and his chip stack was disappearing. He was finally all-in with A10 but Ken had AK and Kush took 3rd place and \$60,000.

Ken now had almost a 4 to 1 chip advantage over **Michael Farris** of Pelham, NH. The players agreed that Michael would take 2nd place, the championship trophy and \$65,500.

And **Ken Harding** was the winner of the 2008 Foxwoods Poker Classic \$3000 No-Limit Championship!
