**MICHAEL LUCIANO POLERA
TOPS RECORD FIELD!
TAKES \$83,849 FOR 1ST PLACE!**

The Top Ten!

A record number of 1369 players anted up \$300 to enter the 2007 Foxwoods World Poker Finals No-Limit Hold'em Shoot-out. Single table shoot-outs were held at 10 am and 1 pm and the top three players on each table advanced to the 4 pm Finals. A total of 411 winners returned at 4 pm to pursue the prize pool of \$347,202! By curfew there were 36 players remaining; they resumed play at Noon on Tuesday and by 5 pm the Final Table was underway. It took a little over two hours for Foxwoods Poker Room regular **Michael Luciano Polera** of Poughquag, NY, to claim the title with a comeback victory over **Robert D'Agostino**. Michael will return to New York with the Championship Trophy, commemorative leather jacket and \$83,849!

The first player to leave the final table was **Joe Cambareri**. Joe found himself all-in with pocket 8's but when Michael turned over pocket A's, Joe was left in 10th place. The Greenwich, CT, resident had \$5,381 for his efforts. East Providence, RI, native **Jorge Amaral** pushed in his last 87K with AQ. Stephen Blake called with AhJh and, with two hearts on the flop and another on the river, Jorge would claim 9th place for \$6,944. **Cynthia Gast** of Provincetown, MA, would be the 8th place finisher. She was down to her last 24K and pushed all-in with AJ. Stephen Blake's pocket 5's held up and Cynthia would take home \$8,680. **Claude Davoult** had A8 against Rob's A7 but Rob turned a flush and Claude was left with 24K. The next hand was anti-climatic as Claude lost in 3-way action to Steven DePaulo. Claude, a resident of Massapequa, NY, would claim 7th place which was worth \$10,416.

Al Povilaitis of Meriden, CT, was the 6th place finisher. Al was all-in with J4 after a 942 flop but Michael had pocket 5's which left Al with \$12,153 in prize money. **Stephen Blake** of Hartford, CT, went all-in with AJ and had the edge over Michael's QJ. But a 98610K board placed Stephen in 5th position with \$15,624. The final table short stack, **Brent Teske** of Somerville, MA, rebuilt his stake to over 500K. With pocket A's, he bet 100K; Rob went all-in with pocket Q's and Brent immediately called. But a Q on the turn relegated Brent to 4th place and \$19,096 for his efforts. **Steven DePaulo**, the 3rd place finisher had come back from the brink several times and felt confident he could double up with A5 against Rob's Q6. But a 6 on the flop gave the hand to Rob and Steve would take \$27,776 home to Providence, RI.

At the start of head's up action, **Robert D'Agostino** had nearly a 2 to 1 chip advantage. But his edge disappeared quickly in one hand. Michael went all-in for 500K with KQ which Rob called with A9; a K on the turn gave the pot to Michael and he never looked back. The final hand was Rob's J7 against Michael's J2. The 525 flop gave Michael the advantage; a 7 on the turn gave Rob hope but a 2 on the river was the crushing blow and Rob would take \$48,608 for 2nd place back home to Plantsville, CT. **Michael Luciano Polera** was the \$300 No-Limit Hold'em Shoot-out Champion for 2007!

Rob D'Agostino - 2nd
