## JOSHUA ROSSMAN IS THE WINNER OF 82,714!

Peter Gilmore - 2nd!

Fred Atherton - 3rd!

The 2007 Foxwoods World Poker Finals \$600 No-Limit Hold'em Shoot-out drew almost 500 players. Single table sessions were held at 10 am and 1 pm with the top three players at each table advancing to the 4 pm finals. By the midnight curfew the field of 165 was whittled down to 23 who returned at Noon on Monday. It took three hours to get to a final table and another three for the final table chip leader to round up all the rest. **Joshua Rossman** of Mt Sinai, NY became the \$600 Shoot-out Champion as he took the Championship Trophy, commemorative leather jacket and \$82,714!!

Shortly after the final table got under way, **Roy Sadovsky** was all-in with K7 after a KdJd4d flop. However, Joshua, in the BB, had flopped a flush and Roy, a resident of Floral Park, NY, was the 10th place winner of \$3,926. The 9th place finisher was **Jason Farber** of Cedarhurst, NY, who went all-in with KJ; Alan Goodman called with AK. A QJ3 flop gave Jason hope but an A on the river left Jason in 9th position with \$5,067. In three way action, **Arthur Evans** had pocket Q's, Alan Goodman pocket K's and Fred Atherton AK. An A left Arthur short-stacked and all-in on the next hand. His KJ could not catch up to Fred's AQ and Arthur would return home to Davie, FL, with \$6,334 for 8th.

After doubling up twice **Ron Wilson** was all-in with KQ but Fred flopped a straight and Ron, a resident of Hanover Township, PA, was in 7th good for \$7,600. **Alfred Matthews** was one of three players all-in with a J after a J87 flop. But Fred caught a straight to eliminate Alfred and leave Alan Goodman short-stacked. Alfred had 6th place and \$8,866 to take home to Peabody, MA. The 5th place finisher was **Ron Compagnone** of Dedham, MA. He had pocket 8's but Peter Gilmore had 10's and Ron was the winner of \$11,400.

**Alan Goodman** with pocket 9's lost most of his stack to Peter who had 10's. Alan's A's were not enough to beat Peter who had pocket Q's; two Q's on the board gave quads to Peter and Alan was in 4th place. The Brooklyn, NY, resident took home \$15,201. **Fred Atherton** of Bradford, PA, began the final table as the short stack and with three players remaining he was still the short stack. Fred was able to stay in the game for a while until he was all-in with pocket J's. Peter had AK and a K on the turn left Fred with 3rd place money of \$24,066.

The last two players began heads-up action with Joshua clearly in command. He was the chip leader at the start of the final table and did not relinquish his lead. **Peter Gilmore**, a resident of Plaistow, NH, pushed in his chips with pocket 8's but Joshua caught a flush on the turn and Peter was the winner of \$41,801 for 2nd place.

And **Joshua Rossman** was the Foxwoods World Poker Finals \$600 No-Limit Shoot-Out Champion for 2007!!
