The Final Two!

Jia Liu - 2nd

1329 anted up \$300 to enter the 2008 Foxwoods World Poker Finals No-Limit Hold'em Shoot-out. Single table shoot-outs were held at 10 am and 1 pm and the top three players on each table advanced to the 4 pm Finals. A total of 399 winners returned at 4 pm to pursue the prize pool of \$335,173! When play ended on Monday there were 36 players remaining; they resumed play at Noon on Tuesday and by 4 pm the Final Table was underway. It took almost three hours for **Gaetano Cannata** of Feeding Hills, MA, to claim the title. **Gaetano** had an amazing up and down battle with runner-up **Jia Liu**, but finally prevailed to capture the Championship Trophy, commemorative leather jacket and \$82,956!

The first player to leave the final table was **Daniel Campbell**. Dan moved all-in with AQ but when Jia turned over K10 and hit the K on the flop, Dan was left in 10th place. The Marlborough, MA, resident had \$3,416 for his efforts. Cheshire, CT, native **Louis Pito** pushed in his last 80K with AJ. Gaetano called with Q10 and after hitting the 10 on the flop, Louis would claim 9th place for \$4,190. **Mike Gambale** of Hanover, MA, would be the 8th place finisher. He pushed all in with a strong 106K with A10 only to be called by Gaetano and AK. The 10 was flopped but the K was turned and Mike realized 8th place and \$5,865. **Neal Gersony** had 95 against Richard Grant's AJ, but neither one hit the board and Neal took down \$8,380 for 7th place.

Gaetano went for the kill with his commanding chip lead next taking down **Richard Grant** of Waltham, MA. Richard was all-in with AK, and after a 10JJ flop and Gaetano's J10 left Richard in 6th with a \$11,731 payday. **Paul Duchemin** pushed all-in with KJ after the flop of J3c10c and was called by Gaetano's 6c4c, and with the 2c on the river, Paul finished 5th with a prize of \$13,407. **Robel Teklu** of Boston, MA, went all-in with KJ only to be called by chip leader Gaetano and KQ. After the Q hit on the river, Gaetano picked up another 344,000 in chips and an overwhelming chip lead, while Robel took 4th and \$20,110. Gaetano also had the pleasure of taking down the 3rd place finisher, Edward O'Brien, who pushed all-in with K8. Gaetano called with AJ, and with no help for Edward he parted with \$26,814 and an impressive 3rd.

At the start of head's up action, **Gaetano Cannata** had nearly a 6 to 1 chip advantage. But his edge was reversed following a series of hands which included two called all-in efforts by **Jia Liu**. Jia's 1st all-in was for 145K with A4. Gaetano called with J6 and got no help. Jia's 2nd all-in push was with A6 for just over 400K, again Gaetano called, this time with A8 only to see 66K on the flop and a near reversal of chip fortune. Jia eventually realized the chip lead only to be called after pushing all in on a flush draw with 8h2h by Gaetano's draw of 9h6h which neither hit but the 9 played, and 770K was pushed to Gaetano. Several hands later Jia moved all-in with A9 and was called with KsQs. Flop was AsKh6s, turn 7c, river 4s and the flush and the Championship for Gaetano!
