## Policies for Bounty Tournaments

### Bounty Chip Rules and Procedures

1. Players are issued a chip(s) when they register for a Bounty tournament. Failure to produce the Bounty can result in penalties up to disqualification and/or elimination from the tournament; players may be barred from playing in future tournaments and have their accounts frozen until the Bounty is paid.
4. When a player is eliminated and there is a resulting split pot, the player in the closest position clockwise from the button, is awarded the Bounty value chip(s).
