The tribal symbol is both a reflection of Mashantucket Pequot past and a symbol of hope for the future. Framed against the sky, the lone tree on a knoll represents Mashantucket, the "much wooded land" where the Pequots hunted and kept alive their identity as an independent people. Displayed on the knoll is the sign of Robin Cassasinamon, the Pequot's first leader following the 1637 massacre at Mystic Fort. The fox stands as a reminder that the Pequots are known as "The Fox People."
