A One-of-a-Kind Experience

G Spa represents the image of its founder Gretta Monahan. Gretta is best known for her ground-breaking and award-winning salons and fashion concepts. Her beauty and fashion vision have been well documented on television and in magazines such as Vogue, Harpers Bazaar, Rachael Ray and The View.

When Gretta was invited to be part of Foxwoods Resort Casino, she knew she had a unique opportunity to create a spa that offered an unparalleled level of luxury and service. Once you enter the unique world of G Spa, you will agree that she has most definitely done so.

G Spa was designed to reflect Gretta's vision and the sensibilities of you – our clients, while respecting the Native American heritage of our hosts – the Mashantucket Pequot Tribal Nation, all in a stunning environment.

We invite you to visit G Spa and suggest that you select one or more of our treatments that we will personalize for you. After all, you are an individual inside and out, from your hair and skin to your personality and attitude.

Your treatment should be as unique as you are.
