

The Norwich Spa

AT FOXWOODS

PLAN YOUR ESCAPE.

The Norwich Spa

AT FOXWOODS

DEFINING HEALTH & WELLNESS.

THE 9TH FLOOR

Well above the bells, whistles and excitement of the gaming floor lies a place of comfort, and seclusion. A place that will be known to you as your personal escape, a place that defines wellness... The Norwich Spa at Foxwoods. Spend an hour or spend a whole day. You are in control of your getaway.

MASSAGES

We live busy, constantly changing lives and lifestyles. Sometimes (most times), we feel the weight of the world on our shoulders. Allow our professional massage staff to relieve that stress and fatigue at least for a little while. Your body is asking for help... let the wellness begin.

FACIALS

It's the first thing that everyone sees coming. In one brief-moment, you can be summed up as happy or sad, tired or energized, sleepy or alive, all by looking at your face. Fool them by always having the healthiest looking skin. Take care of your most important asset by starting with a Luminous or Infinity Facial. Reverse the effects that the sun, wind, salt and cold have on your face and keep everyone guessing what your glow is really all about...let the games begin.

BODY

It remains hidden in winter under layers of sweaters and in summer is exposed to the harshness of the sun and sand. Your body is screaming for attention all year round, asking to have tired, dehydrated and damaged skin woken-up and revitalized...let the healing begin.

SALON

There are few places on this earth that have the therapeutic qualities like The Salon. Everything just seems to be aligned perfectly here. However you felt when you entered through the doors melts away, from your head to your hands to your toes. The Salon is the place to indulge, to try something new or to maintain the same path that has served you so well over the years...let the transformation begin.

INDOOR POOL & WHIRLPOOL

Family time and recreation is important as well and you'll find that poolside at the Grand Pequot Pool and Veranda located on the 9th Floor.

FITNESS CENTER

Stress relief comes in many forms. While you are away, continue your daily workouts in our Fitness Center on the latest cardiovascular and strength training equipment including Lifecycle®, Stairmaster®, elliptical runners, treadmills, a complete line of Paramount® machines and free weights.

LOCKER ROOMS

Personal seclusion is just steps away in our private men's and women's locker rooms, whirlpool, steam, sauna and lounge area.

GIFT CARDS

Take the guesswork out of the next gift for your mother, aunt, father, teacher or friend. Gift cards are perfect for most occasions, but even better than that—you are giving the gift of wellness. A gift card to the spa shows that you care about their health and well-being. Relaxation—sure—rejuvenation...let the thank yous begin.
